

Phase Lighting **GU10ARL**

PART L COMPLIANT

- Low energy alternative for existing GU10 lamp installations
- Environmentally friendly high lumens to watt ratio Part L Compliant
- Aluminium construction offers improved heat sink and high quality reflector
- Glass lens maximises quality of light output
- Average life expectancy 8000 hours

	Luminous Flux (Lm)	Rated Power (watts)	Actual Power (watts)	Luminaire Efficiency (Lm/w)	Construction
Phase GU10ARL10W	460.8	10	8.9	51.8	Aluminium
Phase GU10ARL13W	653.6	13	12.7	51.5	Aluminium

GU10ARL10W
Diameter 50mm
Overall Length 70mm (Excluding GU10 Pins)

GU10ARL13W
Diameter 50mm
Overall Length 70mm (Excluding GU10 Pins)
